

September 20, 2022

Good morning IS 201. It's Zain Mokhtar of class 731 speaking to you on Talk a Lot Tuesday on behalf of the SEAL team. Today is September 20, also known as National Care for Kids Day. This day aims to encourage a better environment for children. We are all lucky to be in such a safe and caring school where all the teachers and staff look to better our day by exposing us to books, arts, and sports.

As John F. Kennedy once said, "children are the world's most valuable resource and its best hope for the future". So, it's important that we learn and are motivated to be the best by nurturing individual. If we learn, we obtain knowledge and the skills to build a better tomorrow.

Have a Top-Notched Tuesday. Thanks for listening.
