Happy Friday everyone! It's Rainie from class 731 here for Seal
Summary Friday.

Every October, National Principals Month celebrates the essential role that principals play in improving a school. The school principal leads the entire school community, which consists of students, teachers, staff and parents.

The S.E.A.L. Team and I want to express our gratitude to Mr. Ciulla for being a wonderful principal who values his staff and students. Mr. Ciulla makes IS 201 an environment where teachers and children flourish. Additionally, we can't express how grateful we are for everything you do as our school principal! Every time you speak to us, we can see your enthusiasm and insight. Mr. Ciulla, never forget how extraordinary you are or the impact you have on our school!
