Good morning IS 201! It's Elly from 851 and I am here this Motivational Monday on behalf of the SEAL Team.

Today is National Checklist Day! It's the perfect day to embrace the power of organization. National Checklist Day urges us to prepare and plan successfully by utilizing checklists. Checklists are useful because they guide us through tasks, goals, and responsibilities, ensuring that nothing falls between the cracks. These to-do lists keep us organized and efficient.

In the words of Benjamin Franklin, one of the founding fathers of the United States, "By failing to prepare, you are preparing to fail." So, today, let's embrace the power of organization. Use your agenda to manage your school work, personal goals, or simply your everyday routine. This will help you stay focused and on track for academic success.

Thanks for listening and have a Manage Yourself Monday 😊
