

September 16, 2026

Good morning, IS 201! My name is Riley from class 831 and I'm here with you this Words of Wisdom on behalf of the SEAL Team.

Today is National Working Parents Day, a day to recognize the parents, guardians, and family members who work hard every day while also taking care of and supporting their families.

This day reminds us about gratitude, empathy, and appreciation. Sometimes we don't realize how much the people around us are balancing. Today, take a moment to say thank you to someone at home who works hard to support you. Even a small thank-you can make someone feel noticed and appreciated.

And now for our Time Travelers Passport update!

Our passports are still being distributed throughout the school. Today, we will be completing our 6th-grade passport distribution, so sixth graders, be on the lookout if your class has not received yours yet!

Starting tomorrow morning, we will begin distributing passports to our 7th-grade classes.

Remember, our first destination is Ancient Egypt, and our September Travel Token is the Eye of Understanding. As you begin your Time Travelers journey, remember that understanding means taking the time to listen, learn, and see situations from someone else's point of view.

The affirmation of the day is, "I grow wiser by listening carefully."

Thank you for listening and have a Working Parents Wednesday 😊

S.E.A.L. Team Pledge

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
