

April 30, 2025

Good Morning I.S.201! My name is Esther Chen from class 752, and I am here for the Words of Wisdom Wednesday on behalf of the S.E.A.L team.

April 30th today, we remember Honesty Day—a day of remembering the power of honesty. Honesty earns us trust with others and makes our relationships stronger. Regardless whether with friends, relatives, or classmates, being truthful is key to good communication.

Today, let's try to be all the more truthful in whatever we say and do. Honesty is not just about the big things, it also helps in everyday life. A simple, honest talk can clear up misunderstandings and prevent more problems later on. As someone once said, "The truth will always come to light, no matter how much you try to hide it." Remember honesty is the best policy.

Affirmation of the Day: I find peace in living a humble life.

Thank you for listening and have a Words of Truth Wednesday 😊
