Good morning, IS 201! My name is Leilani from class 831, and I am here with you on behalf of the SEAL Team for this Friday Focus!

As we continue through the school year, it's important to remember that respect is something we should show everyone, every day. Respect can be shown in many simple ways, like listening when someone is speaking, being considerate of other people's feelings, and treating everyone fairly. Even small actions can make a big difference in making someone feel valued and included. Remember, we may not always agree with everyone, but we can always choose to treat each other with kindness. Let's continue working together to make IS 201 a welcoming and respectful place for everyone.

The affirmation of the day is, “I show respect through my actions.”

Thanks for listening and have a Feelings of Respect Friday 😊
