Good morning, I.S. 201! My name is Katie from class 831, and I'm here on behalf of the SEAL Team for this Talk A lot Tuesday.

Today is a very special day, it's Earth Day! It's a time to celebrate our beautiful planet and remember the importance of taking care of it. Whether it's recycling, planting trees, or simply picking up litter, every little action helps. Today, let's go outside to enjoy the fresh air and take part in Earth Day activities. Let's show appreciation for nature, respect our environment, and leave every space better than we found it.

We also want to give a big shoutout to our amazing sixth graders who are taking the State ELA Test today! You've worked so hard to prepare, and we believe in each and every one of you. Stay focused, take your time, and remember you've got all the tools you need to succeed. Good Luck.

Thanks for listening and have a Think Green Tuesday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team
Positivity is our dream
We teach it every day
To help others live the optimistic way
We learn to control our emotions and feelings
So, we always have effective social dealings
No stone left unturned; no person left behind
Every member of our team has the power to be kind
We spread kindness to our friends, families, and those who need a smile
When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
